The MultiTable® Electric Standing Desk is our revolutionary height adjustable desk that raises and lowers your workspace at the push of a button. Boasting the fastest pace in the industry, this stand up desk can move from its lowest to its highest point in just nine seconds. Perhaps the most impressive feature of this sit-and-stand desk is the smooth height transition of the entire work surface. We dare you to try and spill your coffee.

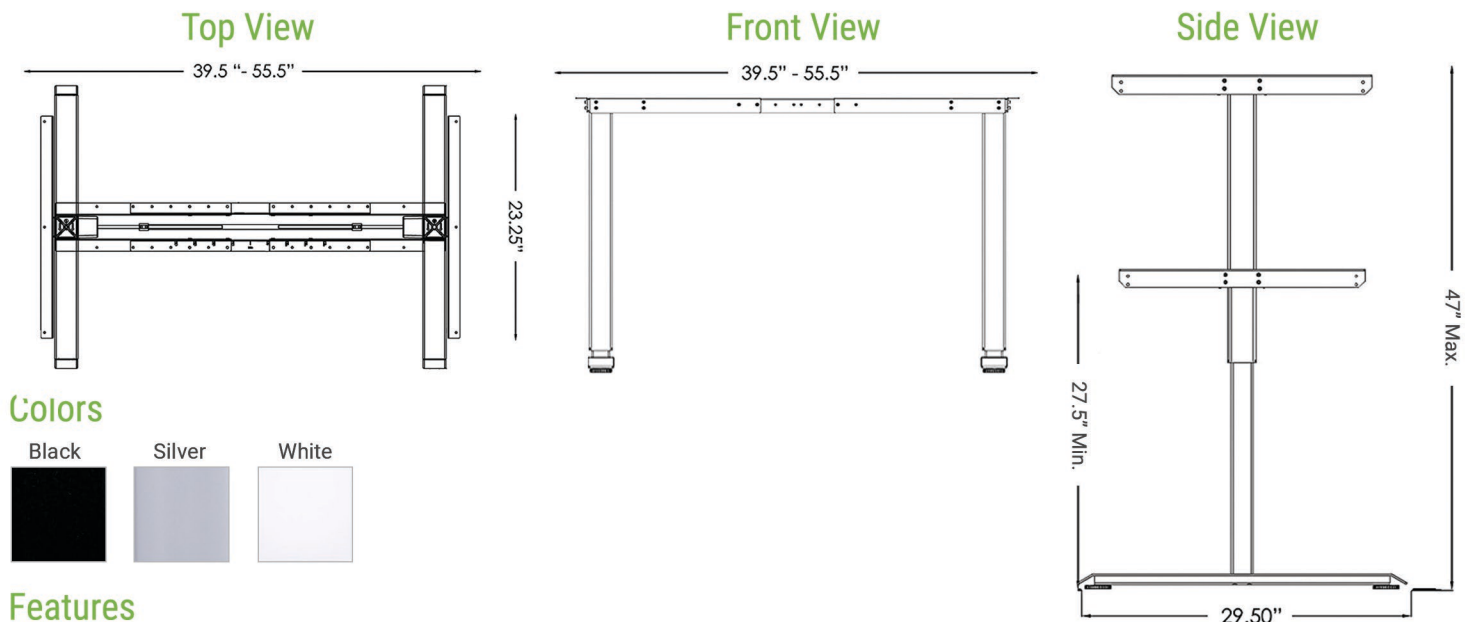

MultiTable® Electric Standing Desk Base

DIMENSIONS AND RANGE:

Features

- ▶ Dual Bosch® motors for fast height adjustment (only nine seconds from top to bottom!)
- ▶ 19.5" height adjustable range
- ▶ "Soft-Start" and "Soft-Stop" features for smooth height adjustment
- ▶ Ability to adjust width of Electric Standing Desk Base to accommodate variety of desktops
- ▶ Customize desk to your preference with variety of color and finish options
- ▶ Compatible with all MultiTable ergonomic accessories, including monitor arms
- ▶ Top-of-the-line durability made possible through rolled stamped steel structure and fine powder coat finish
- ▶ 5-year limited warranty and 30-day no risk return guarantee

Performance and durability of our MultiTable Electric Standing Desk is unparalleled in today's standing desk market. This is why our product is the perfect addition to complete your ergonomic workstation. Raise and lower your entire work surface at the push of a button during a smooth transition, with an impressive 20" height range.
