The FlexTable by MultiTable® is uniquely designed from the ground up to be the most steadfast, versatile and adaptable height adjustable standing desk made for today's modern workspace. Now the power is in your hands to sit or stand with an affordable height adjustable desk that can be ordered with an electric up-down switch or a manual hand crank – you get to choose how to raise and lower your desk surface. Best part is you can easily and quickly convert the FlexTable from a manual hand crank to an electric switch at any time with the Electric Upgrade Kit.
