*Not compatible with L-Shaped Electric Standing Desk

The MultiTable L-Shaped Electric Standing Desk is obsessively engineered to be today's most advanced height adjustable L-shaped workstation. Now you have every advantage to expand your entire worksurface to 3,048 total square inches that raise and lower at your command. Powered by technologically enhanced triple ultra quiet motors, the desk surpasses the industry standard with a quieter, faster and smoother transition from 23 1/4" to the height of 49 1/4" in a matter of seconds. It is also equipped with a digital keypad with 4 memory settings.
